MOTION TO ACCEPT LATE FILED COMMENTS
ON JOINT UTILITY REPORT ON COMMUNITY CHOICE AGGREGATION
INFORMATION ISSUES

Local Power respectfully submits this Motion requesting the California Public Utilities Commission to accept the late filing of Local Power's comments on Joint Utility Report on Community Choice Aggregation Information Issues in R.03-10-003.

Local Power did electronically serve these comments, according to the February 13, 2004 deadline, to Administrative Law Judge Kim Malcolm along with the entire R. 03-10-003 Service List, but an administrative error led the original plus three copies not to be properly filed with the Commission's Docket Office until today.
